

ECHORD++

European Clearing House for Open Robotics Development Plus Plus

RIF@PARIS-SACLAY

Christophe Leroux – CEA Tech

Paris Saclay, 14th January 2015

RIF Events

- **November 26th** RIF@BRL launch done on
- **January 14th** RIF@Paris-Saclay launch on in CEA premises
- **February** RIF@Peccioli launch on

RIF Workshops

- Organization of workshops at SSSA, CEA & BRL on two weeks
- Workshops foreseen
- General interest
 - Robotics for co-working in manufacturing
 - Surgical robotics
 - Assistive robotics
 - Robotics @ work
 - Robotics @ home
 - Robotics
- Technological
 - Friction/force transfer (English / French)
 - Micro-controller
 - Mechatronics
 - Embedded System
- Dissemination
 - For children/teachers: What is robotics?
 - Benchmarking

THANK YOU!

The ECHORD Plus Plus Consortium acknowledges support by the European Commission under FP7 contract 601116.
